## 140th anniversary celebration of EFDB

On Saturday, 22 June 2024, the EFDB celebrated its 140th

The celebration began with music, featuring a children's performance and retrospective videos.

After an Alsatian meal, it was time for games, face painting, a raffle, and festive activities.

## Preschool Olympics

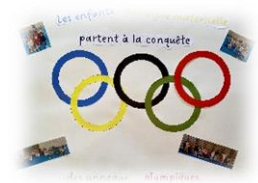

Every Thursday, the children in Maternelle become budding athletes, taking on challenges worthy of the greatest sportsmen and women!

Thanks to their sporting feats, the Petits, Moyens, and Grands earned the Olympic rings.

On Thursday, 13 June, during the outdoor Olympics, the children had the opportunity to try various sports.

## Open Workshops Week

At the end of this year, some after-school workshops opened their doors.

It was an opportunity to end the year on a high note.

## Auditions - Musical Olympics

The music workshops (piano, choir, solo singing) gave remarkable performances of their pieces.

This year, for each work period, our students collected medals in various musical categories.

Congratulations to everyone for these moments of musical sharing!

## Visit to "Café Momo" premises

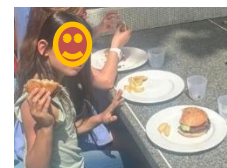

Our caterer, "Café Momo," opened up their kitchen for us.

Children enrolled in the "cooking" after-school program had the opportunity to discover the behind-the-scenes of a professional kitchen and understand the preparation process.

## « Surprise » Meal

At the elementary school, the children earned "50 stars" during lunch breaks and were treated to a "surprise" meal :

a giant picnic in the schoolyard!  
On the menu: hamburgers and fries

## « Ecoschool » Label

On Tuesday, 18 June, the jury unanimously decided to award the Eco-Schools label to the French School of Basel. We received our certificate and flag during the 140th anniversary ceremony.

After several projects (waste reduction, hand towels, mediators, clear messages)...

...we concluded the file with a theater play on "the butterfly effect."

## Zero-Waste Day

On Friday, 7 June, the elementary school had a zero-waste day.

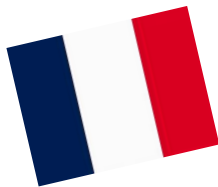

### The missions were:

- Use reusable containers.
- Avoid disposable packaging.
- Prioritize fruits/vegetables or homemade products.

## Language exams

On 24 and 25 May, all candidates for the DELF exam passed with flying colors.

On 25 May and 20 June, candidates took the Cambridge exam. Results are forthcoming.

On 25 June, all candidates for the Goethe exam passed with flying colors.
