Happy New Year 2025

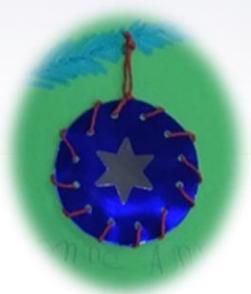

The whole school wishes you a Happy New Year

All the pupils enjoyed the delicious homemade galettes.

Bonne année!

Visit to Forum Wurth

The children were able to observe trees and forests in the paintings and sculptures.

Intensive German and English

There they learned about the beginnings of the Gellert district, information about street signs and old villas as well as remarkable objects and buildings.

During the intensive language course on Wednesday, the students went on a tour of the neighborhood.

"Switzerland through nature"

The entire preschool met in the morning for various winter-themed workshops:

❄ Marshmallow flakes

❄ Cardboard snowflakes

❄ Snowmen

❄ Experimenting with the parachute

Museum of Natural History

The kindergarten pupils go on a journey of discovery and learn about two ruminant mammals from the fauna of the Swiss mountains

... the ibex and the chamois and learn to tell them apart.

Water Treatment Plant

As part of their German lessons, the CM and 6^{ème} pupils visited Lange Erlen.

They were able to see how the water treatment process works and get an idea of how much water is used in Basel every day.

Announcement of the Blue School Residential Trip

In October 2025, the elementary school pupils will set off on a class trip to the island of Batz in Brittany.
